8.26.18 | Today

Unemployment can be such a scary word. Losing a job, getting fired, laid off, or let go, and the prospect of lacking purpose, identity, position, and income is something most try to avoid. In this message we ask, "Can a gift from God be found in a season of unemployment? If so, what is it? Today we have the privilege of hearing from people who have gone through job loss and discovering the blessings that resulted from it. And finally, "Is there something we can do to support folks who are in a season of unemployment?"
