THE
ROOTED
EXPERIENCE

The Rooted Experience is a 10-week journey through daily readings, journal entries, and prayer that provokes conversations designed to help you find yourself in God's story. It is the first step for those interested in joining Faith, leading a ministry, or growing in discipleship. Watch for more information about the fall session for both student and adult groups coming soon. Visit faithstl.org/rooted.

6.9.19 | Today

What would you do if someone offered you front row tickets to your favorite sporting event or show? What if someone offered you an all-expense paid trip to the place of your dreams with no strings attached? You'd make it happen! You'd attend! In this message, Pastor Jon teaches that something even better than any event or trip exists, yet so many make excuses for not showing up. Together we'll be challenged to ask, "What does this reveal about me?" and "Who should we expect to see or not to see at this amazing event?"
