12.30.18 | Today

Brady Boyd, in his book *Addicted to Busy* wrote, “Ultimately, every problem I see in every person I know is a problem of moving too fast for too long in too many aspects of life.” Going too fast, for too long, in too many aspects of your life? Is it time to reset and refresh? As we approach the end of 2018 and enter in another New Year, we are asking some difficult questions in an effort to look to this New Year with hope, healing, and the help God offers through the powerful presence of His Spirit to experience life-giving change.

Therefore, since we also have such a large cloud of witnesses surrounding us, let us lay aside every weight and the sin that so easily ensnares us. Let us run with endurance the race that lies before us, keeping our eyes on Jesus...who for the joy that lay before Him endured a cross and despised the shame and has sat down at the right hand of God’s throne. (Hebrews 12:1-2)
