MISSION

To connect people to the extraordinary life found in Jesus - one person, one family, one community at a time

WE CELEBRATE THE LORD'S SUPPER TODAY

We believe communion is a special gift and preparation for this Holy Meal is critical:

1. Do I admit that I am a sinful person in need of God's love and forgiveness?
2. Do I trust that Jesus is God's Son and my Savior?
3. Do I believe Jesus' promise - that with the bread and wine He declares, "This is My Body, given for you...This is My Blood, shed for you"?
4. Do I desire, by the Holy Spirit's power, to live in a closer relationship with Jesus Christ?

At Faith, our middle school students are prepared for communion through Student Starting Point. Adults and high school students learn through *The Rooted Experience*. Please refrain from having your child commune if he/she has not attended this instruction.

11.5.17 | Today

We ask ourselves what we're willing to sacrifice to get the job or promotion? What are we willing to sacrifice to make the team? What are we willing to sacrifice to have the house, car, or item we've always wanted? But when is the last time we asked "What am I willing to sacrifice for the Gospel to advance in my city, community, and beyond?" In this message, Pastor Jon Palmer talks about sacrificial giving and challenges us to step out in faith as we examine our own giving.
