New Here?

We're glad you chose to worship at Faith today! If you have any questions, stop by the Welcome Desk in the center of the lobby to speak with a Hospitality Team member.

Our pastors and staff would like to connect with you after any service. You'll find them next to the 'New Here' sign in the lobby. We look forward to meeting you and have a gift for you.

THE
ROOTED
EXPERIENCE

The Rooted Experience is a 10-week journey through daily readings, journal entries, and prayer that evokes conversations designed to help you find yourself in God's story. It is the first step for those interested in joining Faith, leading a ministry, or growing in discipleship.

Registration for the fall session opens on August 18 for both student and adult groups. All sessions will kick off on September 15. Visit faithstl.org/rooted for more information.

6.23.19 | Today

As we close out our series *Story Time*, we explore one of the most controversial and tough to swallow stories of Jesus. This is a story that challenges us to take a look at our life and who is the center of it; a story that uses words like 'hell' and 'torment'. Today, Pastor Jon helps us weave our way through this story to see what Jesus is saying to us, and especially, what's most important in our lives.
