

An aerial photograph of a church campus, including several buildings and parking lots, is shown in a dark, monochromatic style. A large, bright blue shield-shaped graphic is centered over the image. Inside the shield, the church's name and location are written in white, bold, sans-serif capital letters. The number '10' is significantly larger than the other text, and the word 'YEARS' is positioned below it. Horizontal lines separate the church name from the location and the number from the word 'YEARS'.

5.20.18 | Today

A lot has happened in the last 10 years. We've witnessed the iPhone revolution. We've had three different presidents in office. We've seen the housing market crash and bounce back. Think of where you were 10 years ago. Today Faith - Columbia celebrates 10 years of connecting people to Jesus, and we look forward to the next season for this campus as we equip others to bring the Gospel to where we live, work, and play.

MISSION

To connect people to the extraordinary
life found in Jesus - one person, one
family, one community at a time

WE CELEBRATE THE LORD'S SUPPER TODAY

We believe communion is a special gift and preparation for this Holy Meal is critical:

1. Do I admit that I am a sinful person in need of God's love and forgiveness?
2. Do I trust that Jesus is God's Son and my Savior?
3. Do I believe Jesus' promise - that with the bread and wine He declares, "This is My Body, given for you...This is My Blood, shed for you"?
4. Do I desire, by the Holy Spirit's power, to live in a closer relationship with Jesus Christ?

At Faith, our middle school students are prepared for communion through Student Starting Point. Adults and high school students learn through *The Rooted Experience*. Please refrain from having your child commune if he/she has not attended this instruction.
