2.10.19 | Today

Water. We can go without food for a month or so, but we can only survive without water for a few days to a week. This simple molecule is critical to our health and well being. Surprisingly, water is a theme often found in Scriptures. During the next four weeks we will spend some time focusing on a few of the “water” stories that teach us how wickedness and evil bring God’s judgement and death (through water) while God graciously offers life through water.

THE FLOOD

Genesis 6-9 (page 5, large print page 5)

If anyone thirsts, let him come to Me and drink. Whoever believes in Me, as the Scripture has said, ‘Out of his heart will flow rivers of living water.’ (John 7:37-38)

Water Stories

God’s Judgement (6:5-7)

God’s Grace (v. 8)

The Flood Story

Life in the Boat

By faith Noah, when warned about things not yet seen, in holy fear built an ark to save his family. By his faith he condemned the world and became heir of the righteousness that is in keeping with faith. (Hebrews 11:7 NIV)

Death in the Water (7:23)

Life and Death. . .in Baptism (See also 1 Peter 3:18-22)

...all of us who were baptized into Christ Jesus were baptized into His death? We were therefore buried with Him through baptism into death in order that, just as Christ was raised from the dead through the glory of the Father, we too may live a new life. For if we have been united with Him in a death like His, we will certainly also be united with Him in a resurrection like His. (Romans 6:3-5)
