4.8.18 | Today

How much do you really know about Jesus? What is His purpose for coming to earth, the meaning behind His teachings, and the significance of His life, death, resurrection, and ascension? Today we have the unique opportunity to hear from the President of Concordia Seminary, St. Louis, Dr. Dale Meyer. He will be reciting over 130 verses from the Gospel of Mark. You are invited to simply listen, reflect, and imagine being among Jesus' first century audience. What is He saying to you today? How will you respond?
