

Wives and Husbands

1 Peter 3:1-7

Be Subject for the Lord's Sake

(1 Peter 2:13a, 2:18a; 3:1a)

- Some are always subject to others
- As a witness and a testimony
- Out of enlightened self-interest

Wives: Submit to your Husbands

(1 Peter 3:1-6)

- Submission does not assume inferiority
- There are always limits on submission
- This display of humble faith is precious to God
- Hope and trust are the foundation of obedience

Husbands: Understand and Honor your Wives

(1 Peter 3:7)

- Understanding her and how God would have you treat her
- Honor as an equal before God
- Disobedience hinders fellowship with God

“Have this mind among yourselves, which is yours in Christ Jesus ”
