Hebrews 13:1-6

1. If someone asks, "What is the letter to the Hebrews all about?" how would you answer? What is the author's main point?

2. Read Heb 12:28-29. How do these statements prepare us for what follows?

3. Read Heb 13:1-6 and consider:

- Which of these 5 commands comes most naturally to you? How have you enjoyed the benefits of obedience? Be specific
- Which of the 5 is most challenging for you, and why? How can the members of the group pray for your growth?
- What questions do you still have? Where else can you look in scripture to gain clarity?

5. How do you understand the ethical commands of Scripture, like those in our text? See 1 Thess 4:3-10 for another example. How do we stop these commands from becoming a simple "to-do" list for Christians?
