

Life Together

Acts 2:42-47

Notes:

For Personal Reflection

Acts 2:42-47

1. What appeals to you most about the early church's life together? Please explain.
2. The Lord added "day by day" to the number of disciples being saved (see Acts 2:47). Do you think that the disciples' close community life played a role? If so, do you find this motivating?
3. If you believe that your church should reflect the values of the earliest church, to what extent does it? Where is it strongest? Weakest? How might you play a part in revitalizing its life together?
