If we do not pursue \_\_\_\_\_ then the church will die out.

\_\_\_\_\_ is the driving force for a \_\_\_\_\_ church.

It's the same result any time believers stop \_\_\_\_\_ the next command of Christ— they stop \_\_\_\_\_.

It's not \_\_\_\_\_ if you're not \_\_\_\_\_ Jesus.

Sustainable \_\_\_\_\_ and \_\_\_\_\_ is only possible through \_\_\_\_\_.

A healthy church will have \_\_\_\_\_.

It's this \_\_\_\_\_ that brings \_\_\_\_\_ in the church family.

The impact that genuine salvation has on a person is not \_\_\_\_\_ to \_\_\_\_\_.

\_\_\_\_\_ is \_\_\_\_\_ to us keeping it together and multiplying until Jesus comes back.

Paul makes it clear that the only way the messy church is able to be reconciled and achieve \_\_\_\_\_ is through its fellowship with the \_\_\_\_\_.

This underlying love for one another leads to a \_\_\_\_\_ that is \_\_\_\_\_ to the natural world.

The \_\_\_\_\_ were evidence of the underlying koinonia that existed among them.

What we have \_\_\_\_\_ in Christ brings us \_\_\_\_\_.

The reality of a common bond in Christ between Christians regardless of race, gender, or class should be an obvious \_\_\_\_\_ of the \_\_\_\_\_.

We are to invite folks into a practicing sweet fellowship that is able to deal with the \_\_\_\_\_ that is called life.
