### Alliance Missions and International Workers worldwide!

#### Asia/Pacific:

##### Indonesia

A conflict in many of Papua's highlands ended during Christmas; pray that it will not resume. There are rumors of impending armed conflict again in some areas. Pray that those who promote violence and hatred will come to love Jesus instead.

Believers in some Alliance churches struggle with temptations to engage in idolatry, animism, and other sins. Pray for revival and that individual believers will surrender wholeheartedly to Christ.

Some international workers are returning to Indonesia after home assignment. Pray for their protection and favor as they seek to fulfill quarantine and other requirements.
