Pray for Alliance International Workers Worldwide Holy Lands:

Most of our workers were able to return to their homes. Please continue to pray not only for their safety but also for God to use them during this time. They are having many opportunities to help displaced people and are finding them so open to the gospel. Pray that God will continue to use our workers to share His hope and love; pray, too, for their kids to feel safe and for life to return to normal as much as possible.
