Europe: Bosnia:

The Evangelical Church of Bosnia-Herzegovina has declared a Year of Prayer for 2023. The churches will kick off with a two-day conference January 27-28 in Mostar, the historical capital of Herzegovina. Please pray for unity among the churches; that the Lord will give believers boldness in sharing their faith with their friends, family, and communities; and that He will use believers to help heal the wounds still left from the divisions.
