Alliance Missions and International Workers worldwide!

AFRICA:

Gabon-

A new church was built in the village of Nguingui deep in the jungle, as the old wooden building was deteriorating. Thanks to gifts from the North Country Alliance Church of Plattsburgh, New York, a brick building was constructed by Andre, the local evangelist, with help from church members; 80 people are meeting there on Sundays. Pray for their stability and faith in Christ.

Senegal -

Believers are grieving the recent loss of a church elder. Pray that they will cling to the hope they have in Christ. Intercede as well for neighbors and friends of international workers there receiving USB drives and SD cards containing gospel messages.
