OUTREACH, MISSIONS, AND EVANGELISM

1. The Persecuted Church – India

Five Christians in India were beaten mercilessly after they refused to recant their Christian faith. These recent converts to Christianity were taken from their homes by a mob of angry Hindu villagers and told they must “return” to Hinduism and recant their Christian faith. The five Christians refused to deny their new found faith and were severely beaten by members of the mob wielding bamboo rods.

2. Missions –Chile

The president of the Alliance church network in Chile requests prayer for the country amid the worst unrest in decades. Specifically, pray that government leaders will have wisdom in handling this situation. Pray that believers will consider the plight of the marginalized and demonstrate Christ’s compassion to them during these trying times.
