An Alliance worker is close to giving birth. Pray for strength, patience, and endurance during these last weeks and for her daughter to keep growing healthy and strong.

An Alliance team is in the process of relaunching their church plant. Recently, 20 people attended, and some took steps to become closer to Jesus. Intercede for lasting spiritual impact and for more people to join this faith community.

A worker couple is resuming English classes and programs at a local community center after a year's hiatus. They are excited to be able to meet and connect with individuals and families again through this venue—please pray for divine moments and conversations.
