### Pray for Alliance Missions and International Workers Worldwide

#### West Africa:

Continue to pray for local believers who constantly live in fear of terrorists. We received a testimony recently of a local believer/pastor who was kidnapped by Islamic Extremists. He was beaten, berated, and given a choice to renounce Christianity or die. Being left chained to a tree to consider his decision, he spent the night in prayer, remembering God's deliverance for others. Eventually, the guards fell asleep; the pastor continued to pray and suddenly his chains fell off! He was able to make it safely to a nearby village where he was tended to and returned to his people. Lift up our brothers and sisters that face things that we cannot even imagine, that they would keep their faith in Jesus.
