Alliance Missions and International Workers worldwide!

Taiwan

"We praise God for His protection over Taiwan," the Alliance team there writes. Taiwan has not been as seriously affected by COVID-19; ministries were able to continue; recently, cases have spiked. **Pray God's continued mercy and protection on people and programs**-both due to COVID and new government restrictions.

Plans are underway to host a **special event for Indonesians employed in the city of Tainan**. Many of these workers have little time off and few friendships. Pray that through a special event held in the park, they will make new friends and learn about the Father's love. Visit: cmalliance.org/pray for more updates
