Pray for Alliance Missions and International Workers Worldwide

Creative-Access Locations:

Intercede for peace in a region where Alliance workers are serving
amid ongoing conflict. Pray against further rocket attacks on the
civilian infrastructure as winter gets colder. Pray, too, for safety and
help for the many people who are without heat, water, electricity, and
communication services. Pray for Christmas outreaches in this area to
be used by God to draw many hurting people to Himself.

Ask God to bring true seekers into contact with new church plants as
well as believers who are not presently attending a good church.

In one creative-access country, most churches and church plants have
weekly outreach meetings where nonbelievers are studying the Bible.
Pray that many will open their hearts to the Savior.
