Isaiah 24

The Judgement of the Earth

The Rapture of the Church

The Second Coming of Christ

In the Rapture, the Church goes up to meet Jesus.

In the Second Coming, Jesus comes down to battle unbelievers.

The Tribulation is the seven-year reign of the Antichrist on the Earth when Jesus redeems Israel and judges unbelievers.

The Millennium is the 1,000 reign of Jesus on the Earth.

God's judgement will come to all unbelievers equally.

Israel will sing because they have found the Messiah.

What will the Millennium be like?
