"KINGDOM COME" WEEKLY REFLECTION JOURNAL

March 6: The Cost of Discipleship

The Christian life is a counter-intuitive pathway to freedom. The good news for us is that Jesus Christ hasn't come to give you one more thing to do, or to take away the good things in your life, instead he has come to transform the things you already do. He doesn't want you to get rid of all your possessions, leave your family, quit your job, he wants to transform the way you relate to your stuff, transform your relationships, transform your work.

DAILY BIBLE READINGS: *Pick one reading each day to study and reflect on God's word and your life. If you miss a day, or a week, give yourself grace and keep trying.*

What does this verse say about God, me, others? Any commands, promises, warnings, wisdom? What words or phrases stand out?

- **OBSERVATIONS:**

What am I mad/angry about?

What am I feeling sad about?

What am I feeling anxious about?
