

"RESCUER" WEEKLY REFLECTION JOURNAL

FEB. 27: Limits

We all have limits: physical, geographical, mental, emotional, we can't be everything, do everything, and it doesn't last forever. As frustrating as this can be to admit, it's even more painful when we fail to realize or come to grips with our limits. But the good news is that Jesus Christ comes to us with his promise: "My grace is all you need." God works best in our weakness, when we let go of pride and vanity, and instead, with humility, prayer, and trust, allow Him to work in and through us. And this new reality gives us the courage and strength to live well, within our limits.
