SESSION 8 NOTES

Leadership Talk - Craig Groeschel C3 Conference

"Never Underestimate the power of doing small things with excellence?"

- **Systems:** You either **CREATE** them intentionally or they are allowed by what you tolerate.
- If there is no **MOVEMENT**, there is **NO BREAKTHROUGH**.
- Things do not get simpler the larger you grow. It becomes **MORE COMPLEX** and there is more need for attention to detail.
- People are **BETTER** than we realize. Give them good systems to use
- **STRONG SYSTEMS** make good people look **GREAT**. **WEAK SYSTEMS** make great people **LOOK BAD**.
- Stop asking **WHY** they keep **DOING IT**, and **START** asking why you allow it.

Takeaway Thoughts

1. How are you working the systems associated with your ministry?
2. Are you focused on the details?
3. Do you need a refresher on your system? Does your team need a refresher? Schedule time with your **CENTRAL LEAD** or **Campus Development Pastor** ASAP.
