## Open Share Small Group Discussion Worksheet

# Yes

...expression of affirmation or agreement

**Step 12:** Having had a spiritual experience as the result of these steps, we tried to carry this message to others, and practice these principles in all our affairs.

*Brothers, if someone is caught in a sin, you who are spiritual should restore him gently. But watch yourself, or you also may be tempted. Galatians 6:1*

**Principle 8:** Yield myself to God to be used to bring this Good News to others, both by my example and by my words.

*"Happy are those who are persecuted because they do what God requires.*

**Note to the Newcomer:** Open Share Small Groups allow us to grow closer to one another through sharing our hurts, habits & hang-ups and the tools we use to overcome them. When we go around the room, feel free to share on tonight's topic or say pass and just listen. In order to start the recovery process on a solid foundation we suggest that you:

**1.** Make a commitment to attend the large group and small group time regularly **2.** Start looking for someone that you connect with that you can ask to be your sponsor or accountability partner. These people will be able to assist you on your journey and will become part of your accountability team. **3.** Begin working and applying the recovery principles found in the CR Participant's Guides and the Bible. **4.** Set a personal goal to become involved in a step study group.

When we arrive at Step 12 we are ready to say **YES** to service. *(more on this topic can be found in Lesson #24 in CR Participant Guide #4)*

**Y**ield myself to God. - To be used to bring the Good News to others, both by my example & words.
