

Dear Champion Fellowship parents,

We are so thankful for your participation in the Champion Fellowship family. We want you to know how much we enjoy your children and the opportunity to partner with you to train them in the way of the LORD. One of our goals this year is to strengthen our partnership with you in this task. We have recognized that the most effective way for a child to learn the Bible and how to live by it is to learn it at home from parents – and we believe the LORD designed it this way. So, to help you do this with your children, we intend to provide you with valuable resources each week that will help you reinforce what your child is learning at church.

Every Sunday following services, we will send you the basic teaching outline from the morning's lesson along with several questions and answers that you can practice with your kids to help them learn and retain the story of the Bible. We will also attach our Teacher Tips video that our classroom teachers watch to prepare for the lesson. This will help you to better understand the content so you can feel more confident discussing it with your children.

We hope that this is a blessing to you as we steadily take steps from partnership toward ownership in our family ministry. Our dream is to see parents as the primary disciple-makers in their kids' lives and this is a big step in that direction. Please don't hesitate to provide any feedback on how we might better prepare you to do this important job.

In Christ,
Alex Wolfe
Family Pastor

AGES 6-11 LESSON OUTLINE

1. The LORD tells Israel that they are to be a kingdom of priests and a holy nation (Ex 19:4-6).

 - Holy nation = Israel, as God's special nation, is to remain separate from the wicked nations on Satan's team.
- The LORD gives Israel instructions on how to represent Him to the nations (this is called the Law) (Ex 20:1-23:33).
 - First, they are given the 10 main commands (20:1-26).
***These amount to love the LORD and love their neighbor.*
 - Next, specific examples are given on how to keep these 10 main commands (how to love the LORD and their neighbor) (21:1-23:33).
3. The LORD gives Israel instructions on how they are to remain holy and separate from the wicked nations (Ex 24:1-31:18).
 - Israel is to remain separate from the nations by keeping their service and worship centered around the Tabernacle and the sacrifices.
 - This is where they continually express their faith and hope in the true Image-Bearer to come who will be the ultimate Sacrifice and Passover Lamb.
