Hey everybody. Welcome back to the Christmas box journey of looking for the Messiah. Today is day two where we're learning that the Messiah will be the one to bring rest. All the way back at the beginning when God placed Adam and even the garden, the word for placed is he rested them in the garden, but because of their sin, because they did what was good and right in their own eyes, God placed them outside of the garden to work in sorrow. But they remembered the promise of the seed of the woman to come, that the sun was coming. And so they continued to look for the son that was coming forth and a man named Laic from Seth's line. He hoped that his son would be the one to bring the rest that was lost in the beginning. And so he named his son Noah, which means rest, hoping that this one is the one that is going to give rest from the ground, which the Lord had cursed. But as we continue in the story, we learn that Noah isn't that one. He doesn't bring rest to mankind, and so we have to continue to look for the one who is going to bring rest, who is going to get mankind back to the rest that was in the beginning, in the garden with God. And so that's day two. We're learning that he is the one who is going to bring rest. Join us tomorrow for day three as we continue to look for the Messiah.
