Hey everybody. Welcome back to the Christmas Box journey of looking for the Messiah. Today is day 11, and today we learned that the Messiah will be the rock of the Lord's salvation. Now, throughout Israel's journey in the Bible, especially through the wilderness, a rock has been present. It began with Jacob when he saw a vision of the Messiah at Jacob's Ladder. At Bethel, he anointed a rock where he saw this vision, a special rock then provided water for Israel and the wilderness on multiple occasions. And the rock of the Lord's salvation was promised to Israel, to shelter and to protect Israel from their enemies. This rock is the Messiah, who will be anointed, who will provide Israel with not just water, but living water. He'll provide them with eternal life, and he will ultimately protect Israel from their enemies, by crushing the serpent and all of the serpent's, followers. And so Israel is to take refuge in him, the one true rock of the Lord's salvation. Join us tomorrow as we continue to look for the Messiah.
