

## Summary of Message:

*A house divided will not stand. If the home of our hearts is divided between loving and submitting to God part of the time, and living self-centeredly at other times... there will be constant defeat in the war against the enemy. What's needed is a willingness to totally submit each and every part of our lives to Jesus Christ. Honestly, is it time for a makeover?*

***“The biggest mistake we can make is to think we have power to resist the devil when we’re out of relationship with Jesus. If we’re not in Christ, if we’re not walking by the Spirit, we’re sitting ducks.”***

- Pastor Michael Craft

## Questions for your Family Devotions or Grace Groups:

1. What was something the Lord used to speak to **you personally** in this message?
2. Read **Mark 3:20-21**. Is there anyone in your life that considers you **“out of your mind”** because of your faith in Christ? How do you respond? How does **1 Corinthians 1:18** speak to this?
3. Read **Mark 3:22-26**. In what ways can a person’s house/life be “divided” today? It was stated that, **“the result of living that way... with a foot in both worlds... it leads to a defeated life”**. What would a “defeated life” look like?
4. **[Deep Dive Question]** Read **Mark 3:27**. The strongman is Satan, the god of this age. Jesus is the One Who can tie him up and then plunder his house. By telling this one-verse parable, what is Jesus trying to say to these scribes who are opposing him? Is it the same message He was trying to deliver in **Mark 2:6-11**? If so, **what is that message?** How is **that message** important for us today?
