

Questions for your Grace Group or Family Devotions:

Would God call you to get on a boat... to set sail, when He knew that there would be rough waters... just to get you to the place where He wanted you to be so that you could make the greatest impact for your life?

Read [Acts 27:18-20](#). We see those on the ship getting rid of everything that was weighing the boat down and could cause it to sink. How does [Philippians 3:13-14](#) speak to this idea? What are some things that are weighing you down spiritually right now?

Read [Acts 27:21-26](#). We see Paul refocusing on the mission that God had called him to complete, and thus, not at all showing fear in the face of such a storm. What is your primary objective? What are you truly living your life for? How could knowing this eliminate fear from your life?

Read [Acts 27:30-32](#). We must attach ourselves to others for the sake of the whole. Read [Hebrews 10:25](#) and discuss why this is an important aspect of the Christian life.

What did Jesus really mean in [Matthew 5:14](#)? What does this look like practically in your life... at home... at work?

Read [Acts 27:42-44](#). What wreckage from your life could others grab onto and then perhaps find their way to shore... (be 'saved')?
