

## **Last Word: WEEK 6**

1. How does today's LAST WORD of Jesus impact you personally?
2. On a scale of 1-10 how would you rate yourself in procrastination? Several reasons for procrastinating were given in the message; Fear of failure, lack of purpose, no motivation, no planning, perfectionism, thinking too big, or too many distractions. Which of these, if any is usually the reason for your procrastination?
3. **Read John 19:28-30**, Jesus said **it is finished**, complete, perfect, done. **Read Hebrews 10:1-22**. The writer of Hebrews reveals that Jesus finished the OT Law, the sacrificial system, the penalty of sin, and so much more. What does stood out to your group in the passage?
4. **Read Romans 5:6, 6:23, and Colossians 2:13-15**. What else is finished according to Paul in these scripture passages? What do these passages tell you about humanity? What do they tell you about God? How could you share the truth found in these passages with someone this week?
5. **We get undone when we forget it is finished. What problem, struggle, anxiety, sin, or situation in your life is causing you to become "undone?"** What is Jesus' invitation to you today?

### **Final Thought**

Jesus finished what we couldn't even start.
