

Last Word: WEEK 5

1. How does today's LAST WORD of Jesus impact you personally?
2. Do you like water? Are you picky about your water? (Don't judge each other ;-)) If you don't like water, what do you drink when you are thirsty?
3. **Read John 19:28-29**, Jesus said he was thirsty. *When you thirst will do whatever you have to do to quench your thirst*, **Read Hebrews 2:14, and 4:15**. Understanding thirst not only as a physical need but a spiritual metaphor for our needs/desires/distresses...Why is Jesus' humanity important to you? How should this reality help you face your thirst?
4. **When you THIRST...where you go to quench your thirst matters.** **Read John 4 or watch the woman at the well scene on YouTube from The Chosen Series...** <https://www.youtube.com/watch?v=el7dzoNV3IY> what does Jesus reveal to her about her thirst? What does Jesus offer as a solution? What was her response? How do you apply this to your life and a specific situation in your life right now?
5. **When you thirst you dig a hole to quench it.** Read **Jer. 2:13**, what are the broken cisterns you try to hold the water to quench your thirst. People / Stuff / Desires / Experiences / Status? What is Jesus' invitation to you today?
6. **Jesus thirsted to quench yours.** Read **John 7:37-39**, discuss what you remember about this week's message and the festival of booths. If you were to apply Jesus' invitation in this passage, what is one way you feel challenged to put this week's LAST WORD into action in your life this week?

Final Thought

Jesus thirsted to quench yours.
