

WEEK 1

1. Ice Breaker: When a warning light comes up on your dashboard do you:
 - a. Ignore it
 - b. Freak out
 - c. What's a warning light?
 - d. I have one on my car right now
2. What is one thing that stood out to you from this week's message?
3. How have you typically approached Revelation—with fear or with hope?
4. Why do you think this book was structured this way, starting with a bunch of letters to specific churches?
5. Read **Rev. 1:4-8** what stands out to you the most about the description of Christ? How do you think this informs how we should approach the letters to the churches?
6. Read **Rev. 2:2-4**, Jesus is basically saying you WORK HARD (you have lots of activity for Jesus), you ARE ENDURING (as culture continues to relativise, you continue to stand for Truth), you FIGHT against NON-TRUTH (stand against biblical error/false teaching), you don't fall into the idea that you can be half-in or that belief is enough without obedience/holiness.

Why do you think it was possible do Ephesus to do all this and yet lose their first Love?
How do we keep Jesus, His love, and the extension of His love central in our church?
7. Read Ephesians 3:14-19 together and pray for PGC and each other.
