

Valentine's Devotional Discussion Questions

UNITY IS THE GOAL!

Happy Valentine's Day to our church family here at Calvary Chapel South Bay! We hope you enjoyed watching Pastor Chet's Valentine's devotional. Here are the discussion questions for the devotional that you can do together as a couple.

Questions to ask your spouse:

What does Christ's love look like according to scripture and what was Christ's sacrifice?

What challenges do we face as a couple that hinder us from loving like Christ?

According to scripture, how does Christ lead by example in what respect looks like?

Read Ephesians 5:21 - 33 together.

Talk about how love + respect = unity.

What spiritual and practical steps can we take to grow in love, respect, and unity?

Are there areas that you commonly misunderstand each other? Take some time to write them down, talk through them, and pray for one another.

Take a moment to pray together.

Verses to read and discuss over the next week...

Eph 2:14-3:6 Eph 3:14-22 1 Peter 4:7-11
