

Biblical Expectations of a Father

1. What qualities of fatherhood are evident in God, and how can we model them for our children?
2. How can biblical fatherhood be a faithful witness to God the Father, and how can fathers glorify God by imitating his behavior?
3. Men who are fathers, share one thing you do as a biblical father, and one thing you had to learn to do through trial and error to become a biblical father. How has your life changed the most since becoming a father? (This is to edify our future fathers or grandfathers in our group)
4. What do you enjoy the most about being a father? For those who are not fathers, what did you enjoy most about your father?
5. How can you encourage, empower, and equip your family with various levels of responsibility in your home?
6. How can we as a church better encourage and empower our fathers?
