Christian Work - Questions

1. Today we spoke about idleness or laziness as one of the sins mentioned in the New Testament. (2 Thessalonians 3:6, and 3:10-12)

What are some of the things in your life that can drag you into idleness and prevent us from taking the role as leaders of our home? What can you do to prevent this from happening?

2. In the bible study, we looked at the purpose of work and 3 reasons of why we should work. (1) For the glory of God, (2) to benefit our generation, and (3) to provide for our needs and those of our family.

How has this explanation changed your perspective of work and as to why you work?

3. In the bible study, we spoke about the things that we put in different buckets (such as the sacred things (reading the bible, going to church, praying, etc.), and the secular things)? Give some examples of things that we tend to put in these buckets and why do you think that is?

4. We said that each of us have different vocations, different callings.

Please tell us what your vocation is, and in what way do you currently use your vocation for God's glory? If you struggle in this area, what can you do different?
