Text: 1 Samuel 7:3-13

1. Help Comes When We Repent

2. Help Comes When We Worship

3. Help is Remembered When We Mark God's Faithfulness

Challenge

This week, do three things:

4. **Repent** – Ask God to show you what idol or distraction needs to be laid down.
5. **Worship** – Come before God honestly, not just with your lips but with your heart.
6. **Remember** – Create a reminder of God's help. Write down a testimony, share it with your family, or mark it in your Bible.

And every time you see that reminder, say with confidence:

"Thus far the Lord has helped us."
