(v.16) All scripture is  
breathed out by God...

(v. 17) that the man of  
God may be complete,  
equipped for every good work...

- 1** (v.16) All scripture is breathed out by God...  
God speaks to us through the Scriptures, His word. Our devotion is expressed when we receive the message and instruction from Him with humility and trust.
- 2** (v.16) and profitable for teaching, for reproof...  
The scripture informs our beliefs, what we confess to be true and not true according to God's word.
- 3** (v.16) for correction and for training in righteousness  
Our beliefs transform us when we bring our behavior to function in alignment with those beliefs in new obedience.
- 4** (v. 17) that the man of God may be complete, equipped for every good work...  
Our transformation is not random, but brings us to increasing maturity, ready and able to express our devotion in order to fulfill God's purposes of working in us and through us for His glory.
