Reopening Plans—Please review the information that went out about our plans to relaunch in-person worship services at Westside. We need everyone who plans to attend to read and understand the guidelines that we are putting in place.

Financial Update: Many of you have expressed your concern over the church's financial condition due to the COVID-19 pandemic and the fact that we have not had in-person services for a while. Due to your generosity and continued support of the work that takes place here, we are tracking $37,065 dollars behind budget. This has been offset in part by some cost-savings we have been able to implement so that, in spite of the shortfall, we have not had to dip into reserves in order to fund necessary expenses. Thank you for your generous support, prayers, and expressed concerns. God is good!

1 John Bible Study—Join us every Wednesday night at 6:30pm for our online Bible study on the book of 1 John. The class will be posted live on Facebook where you'll be able to interact with other members from Westside and ask questions about the study. The class will also be posted in our mobile/TV apps, on the website, on and YouTube.
