

ABUNDANT

Message Title: Abundant Vision

Message Scripture: Luke 13:18-19, Common English Bible

A tiny mustard seed can produce an abundant and expansive plant. That's an image the Gospels use of God's Kingdom. What seeds is God planting through us? How are we developing a Kingdom-sized vision for our ministry together?

Prayer

Dear God, help me to live into the abundant vision you are planting through me. Amen.
