New Sunday School Class – Starting May 31st

Could your focus, use more focus? In this class, we'll pay close attention to what we read in God's Word. The goal is to strengthen your existing Bible study methods by using thought provoking topics that will get you thinking! You can expect interactive group activities guided by simplified logic, Biblical history, analogies and vocabulary. A picture is worth 1,000 words, so get ready to turn 1,000 words into a mental portrait of God's Word that you can carry with you!

See Jason Jennings if you have questions or would like more details!
