### Renovation Update

We realize that the updates we're moving forward within our renovation plan are not as straight forward as building a new Children's wing onto the church. We are doing a bunch of different things to keep our building in a fully functional state now and in the future. We thought the best way to understand all the aspects of the renovation and the "why" behind each part would be to look at them individually. How do you eat an elephant? One bite at a time. So we are going to start using this little spot on the bulletin to give you a "bite-sized" piece every week regarding this project with the hopes that it will add up to a whole that's something to get excited about. Stay tuned for next week!

## NEWS & INFO

Youth Group meets this evening at 6:30 PM in the Roots Youth Room. Youth group is being ran by youth, "Sharing time".

### Fair Food Booth Sign Ups

This July 18-22 we will be running our food booth at the 4-H Fair. A majority of the income will be used to help pay for our kids to go to Quaker Haven and to Dad Camp. We would love to have those that attended those camps to work a couple shifts. This is a great opportunity to have our whole church family working together for a common goal. Please sign up on the table in the Narthex. We also need help setting up before and tearing down after the fair. Many hands make light work! If you have any questions, don't hesitate to ask Brock!

Bridge will be taking a break after our gathering on the 25th. The next bridge gathering will be August 10th!

### Softball League

WFC will be part of a Men's Church Softball League again this year. It starts July 25th and will be on Monday nights at the Field of Dreams. Cost is \$25/person. Please contact Seth Cussen to sign-up at (260)571-7079 or email [stcussen@gmail.com](mailto:stcussen@gmail.com).

Register your child for Sunday School at the Family Center check-in desk on the North side of the building.

If you donated personal items for VBS this year, they are available to pick up TODAY! The items are beside the Children's Ministry Desk.

All month the kids have learned that God takes sin seriously. Today the kids are learning that Jesus paid the price for their sins by dying on the cross. Ask your child what they learned today in class!

We need YOU! Will you help equip the children in our church to grow in their relationships with God? Join our Children's Ministry team today! Email Carsyn Stout at [carsyn@wabashfriends.org](mailto:carsyn@wabashfriends.org) to see what classrooms need teachers!
