

Join us this Sunday at 10:45 AM via live stream only for Church at Home

Due to a rise in Covid cases in our community, starting this Sunday, November 15th, we will be having a 10:45am online service only.

Let's make church at home a priority. Let's pour ourselves into it and pray for each other. Let's all work to connect with each other so none of our family feels cut off from the body. God willing, we will be back together soon.
