Care Portal Assistance

We're looking for a group of volunteers to assist with running the Care Portal. Care Portal creates connections within the Circles of Care around the isolated child. Families, churches and communities are brought together to create a healthy approach to caring for kids. Please contact Heather in the office by phone at (260)563-8425 or info@wabashfriends.org if you can help.

Our church leaders believe it is important for them to make their capital campaign commitments early to show their leadership to the congregational. An Advance Challenge Meeting on May 17th & 18th at 6:30 PM here at the church has been schedule for this purpose.

However, being a leader has a lot of elements with the most important one being that you're "all in". If you love Wabash Friends Church and are committed to our purpose then that's you. That's why, whether you've been previously identified as a leader or not, if you're "all in" then this meeting is for you too! So join us in "going early" with our campaign commitments to help lead the way. If you would like to attend the Advance Challenge Meeting, please RSVP to Heather at info@wabashfriends.org or (260)563-8452 by May 10th.

Childcare will be provided, however if you would like to take advantage of this, we ask that you would include the number of children and their ages with your RSVP.

THE BRIDGE

Our next Bridge gathering will be May 11th! We would love to have you join us!

Bridge Retreat will be may 20-22 at Quaker Haven Camp! The Theme for that weekend will be "Level Up!" If your kid plays video games, they know the importance of Leveling up characters to help them win the game or to get a high score. For us as Christians, we have opportunities to "level up." This weekend will be unpacking the meaning of that, and what it looks like to achieve a "High Score" in life! Click on the QR Code to register.

Register your child for Sunday School at the Family Center check-in desk on the North side of the building.
