Cricket has done an amazing job overseeing this program that helps support the mission partners of our church, and we want to thank her for her dedicated service. This volunteer position ensures that the scrip table is staffed each Sunday morning, maintains the inventory of scrip cards & records sales/purchases. If you are interested in this service opportunity, or if you would like more info, please see Eric Dale, Clerk of Missions, or call the church office at 260-563-8452.

Kids Hope Needs Mentors

Kids Hope USA is a nationwide, school-based mentoring program that focuses on elementary-age children. These mentors use a weekly one hour "event" to build a relationship focused on the child's emotional, social and academic needs. The result: Changes in attitude, behavior, and academic performance. One child, one hour is the heart of Kids Hope USA. One caring adult mentoring a child for one hour every week can result in a huge impact. Because when kids feel like they belong, they are better able to learn, grow, and succeed. **If you are interested in being a mentor with a student at Southwood Elementary, please see Sheri Proffitt or the display in the lobby for more information.**
