Mama Bear Apologetics is a seven week group working through the Mama Bear Apologetics book, by Hillary Ferrer, that will help equip moms, grandparents, or anyone involved with youth to navigate the current culture from a Biblical Worldview. Knowing what is true is imperative for being able to argue against what is false, and we must prepare our kids to stand for Truth. We hope you can join us as we work through the book, look at scripture, and learn and grow together so that we and our kids are better equipped to live out and share the gospel. If you have questions, please contact Liz Dyson (260-571-3350) or Megan McCann (260-330-3803).

This week in Kid's Worship we continue to work our way through Genesis. We learned all about creation from the sky and the stars to man and woman. We learned how all of creation reflects God's glory and we can that Glory reflected in Jesus. We will introduce the fall of man and the concept of sin. I love what the lessons says, "sin is to think, speak, or behave in any way that goes against God and his commands." That's a great way to explain it to kids. The introduction of sin and brokenness is a tough thing for us to grapple with, even as adults. That's why we won't talk about this without talking about the good news of Jesus' death and resurrection! We have a rescuer in Jesus that takes away all our sin and brings us back to God.

Teaching and shaping our kids to be followers of Jesus is so important. Please let Savannah Eaton know if you're willing to serve in this exciting ministry.
