Quarterly Business Meeting

Our next congregational meeting will be here at church on Wednesday, August 25th from 6:30-8:30 PM. Childcare will be offered for children elementary age and under. One thing that was mentioned in our previous meeting was a desire for more opportunities to discuss the sanctuary renovation with the experts, like we did in focus groups at the beginning of the year. We will have people from Aspen Group, the design firm we've been working with, and from Church Growth Services (CGS), an organization that focuses on the money side of things when churches build, renovate, and/or consolidate debt. While we don't have any contract with CGS right now, they have volunteered to help us talk through the process. We will spend time in a large group format and then break into smaller groups to better facilitate conversation. We want you to see the whole picture of any steps already taken. We also want to be aligned together in any next steps. Please come and be a part of this conversation. It's important for our family.

Prayer Meeting

There will be a time of prayer regarding the future of the sanctuary renovation on Tuesday evenings from 5:30-6:30 PM. The purpose of the prayer meeting is to seek further clarity from God's Spirit for us as we move forward. These meetings will continue on Tuesdays until those meeting feel released from the need to do so. Please come out and spend some time praying with and for our church family.
