Kids Corner

Register your child for Sunday School at the Family Center check-in desk on the North side of the building.

This week we continue to talk about Creation and how everything God made displays His glory. We will focus on what God's glory is and all the places we see in the Bible and all around us. We will learn that the ultimate revelation of God's glory can be found in Jesus.

A great question you can ask your kids to discuss, "How can looking at creation teach us about God?" I encourage you to ask your kids each week about the lesson. I've been amazed at their input each week to talk about God's creation and his glory.

Teaching and shaping our kids to be followers of Jesus is so important. Please let Savannah Eaton know if you're willing to serve in this exciting ministry.

SCRIP Cards Available For Purchase

Our Scrip program is fully operational. Kim Bishop is now seeking volunteers to help with the sale of SCRIP cards each Sunday morning. All you will have to do is be available at the SCRIP table to take the orders for the cards or help with the purchase that is being made that day. Let Kim know which Sundays you can help by talking to her today or call, 260-571-3764.

The table will be open for purchases after the first service, before Sunday School, and before the second service starts. When there is no one at the table, and if you want to place an order to pick up later, fill out the order form and put in the designated box.

Support the church mission work by purchasing gift cards that you can use for yourself or as gifts for others. Plan ahead for your next shopping trip by purchasing cards you can use while shopping. With every card you purchase, a certain percentage is given back to the church. This then helps further the Mission work of the church.

Starting October 4th, 6:00-7:30pm at Wabash Friends Church! Mama Bear Apologetics is a seven week group working through

the Mama Bear Apologetics book, by Hillary Ferrer, that will help equip moms, grandparents, or anyone involved with youth to navigate the current culture from a Biblical Worldview. Knowing what is true is imperative for being able to argue against what is false, and we must prepare our kids to stand for Truth. We hope you can join us as we work through the book, look at scripture, and learn and grow together so that we and our kids are better equipped to live out and share the gospel. If you have questions, please contact Liz Dyson (260-571-3350) or Megan McCann (260-330-3803).
