Week 3: I'm Influential In God's Story
John 4:1-42 Message Notes

Big Idea for this week: We were created to be influencers

1. It only takes one interaction to influence someone forever

2. Our influence goes beyond who we think we have the ability to influence

These questions are designed to extend the impact of the Sunday gathering. Use them to go deeper in your personal study time, with your family, and/or with your Life Group.

1. How would you define the word "influencer"? How does the world define this word? How does the Bible define one? How might we be influencers today? What are some ways you have to influence others?

2. We have no idea how God can use one conversation, encouragement, or expression of love to influence others. Talk about someone who influenced you toward Christ. What made them influential?

3. Think about the people in your life you can most strategically influence. Who is it that God might be calling you to influence? Why is it important to use the gifts God has given us?

Share the Truth. As you interact with other people this week, think about how God might want you to use that conversation to glorify Him. Then follow His lead.

Ask yourself. Who in my life can I most strategically influence? Has God strategically placed them there and might be calling me to influence them? Why is it important to use the gifts God has given me?

Prayer: Father, thank You for giving each of us the gift of influence. Help us to see our conversations and interactions with others as opportunities to glorify You and make a difference in their lives. Help us never doubt Your ability to use the gifts You've given us. In Jesus' Name, amen.
